

TRACK CHALLENGE

Half Day Driving Experience

COURSE OVERVIEW

Half Day Driving Experience

Dubai Autodrome's Track Challenge package will enable participants to drive the Audi TT on one of the demanding circuits. The event is ideal for participants with automatic shift driving experience. Clients are given an opportunity to upgrade from the Audi TT Drive to an Audi R8 V10 super car (subject to group size).

Since the Audi TT and Audi R8 V10 drives are pure driving based experiences, also added to the day's activity is the popular Autotest and Pitstop Challenge, which measures the skills and competitiveness of participants in handling situations under time pressure. The Pitstop Challenge can also be upgraded to Hotlaps, where clients experience passenger rides at race velocity with professional instructors.

Activities:

Audi TT Drive

Autotest

Pit Stop Challenge

Sample Timetable (based on 12 guests):

09.00	Arrival & Registration: Sign-on would take place in a Hospitality Suite.
09:15	Welcome & Drivers Briefing: Mandatory safety briefing for all participants.
09:30	Activities: Guests escorted to Audi TT Drive, Autotest and Pitstop Challenge.
12:30	Conclusion: Certificate Presentation

TRACK CHALLENGE

ACTIVITY

AUDI TTDRIVE

Learn the basics and get to grips with the track quickly in an Audi TT turbo charged machine. This is a high performance automatic transmission performance car, which allows drivers to focus on techniques such as braking, accelerating and steering while being instructed on how to make the most of this hottest of hatch backs on a race track.

VEHICLE SPECS:

Audi TT45 TFSI Coupe Quattro

Acceleration: 0-100 in 4.6 seconds

Power: 230 BHP

TRACK CHALLENGE

ACTIVITY

AUTOTEST

Skill and fun are the key ingredients that make up an Autotest, which consists of a challenging course where drivers have the chance to show off their talents behind the wheel by negotiating a preset and demarcated course. Packed with challenges and tricky obstacles to bring out the best in drivers who take on the task against the clock. Trophies can be awarded to the best drivers on the day.

VEHICLE SPECS:

Audi TT45 TFSI Coupe Quattro

Acceleration: 0-100 in 4.6 seconds

Power: 230 BHP

TRACK CHALLENGE

ACTIVITY

PIT STOP CHALLENGE

You've see them on television at a Grand Prix weekend conducting lightning fast pit stops. Now you and your team can replicate their skills and teamwork as you take on the role of pit crew. Changing wheels as fast as possible with the clock ticking, the scene is set for groups and teams to challenge one another in an action packed and fun filled contest.
