

Dubai Autodrome Karting Academy
(DAKA)

Parent Information Pack - January 2019

Dear Parents,

On behalf of Dubai Autodrome we would like to say thank you very much for registering your child for the one and only official karting academy in the UAE. Your child will be part of Dubai Autodrome Karting Academy (DAKA) created for Kids aged from 7 to 16 years. Here is a bit more information on what to expect:

1) Dates and Timings

DAKA starts on Tuesday, 15 January 2019 and runs every Tuesday between 4pm to 6.30pm for 10 weeks. These dates coincide with the school term (i.e. term two).

Every night, DAKA includes multiple sessions on the track, up to 4 x 15-minute karting sessions. This means that your child, from the outset, will be absorbed in the most adrenaline filled after school activity in the UAE.

2) Course Outline

DAKA will provide special unique learning opportunities throughout the course to help them on their journey to becoming a race driver. This includes:

- Rules and guidelines on how to drive safely and stay safe in a kart.
- Structured racing tuition with experts to guarantee reduced lap times.
- Varied and combined lap set ups to master different types of circuits; these are changed and become progressively harder as the course goes on.
- Over the next six months students will work their way through three levels of grading to master race craft and develop into a future racer.

In addition, DAKA will provide physical hands-on mechanical tutorials and challenges to help educate drivers about the kart and give them lasting experiences, including:

- **Kart wheel removal, kart wheel refitting, pressure checks and tyre direction check.**
- **Brake Pad change.**
- **Sparkplug Change.**
- **Oil Change.**
- **Air filter removal, cleaning and reinstall.**

As the DAKA drivers graduate through the levels they will be able to manage other mechanical techniques including:

- **Spark plug gapping**
- **Front wheel alignment**
- **Exhaust and inlet valve clearance setting**
- **Even rear sprocket removal checking tension and alignment!**

The Dubai Autodrome Karting Academy delivers the highest standard of kart training to youth across the nation, while providing a pathway to professional motorsport careers. DAKA will be a natural feeder series for ESKC, SWS and the world-renowned Dubai Kartdrome Endurance Series. The DAKA program has been designed and will be overseen by very experienced and multiple championship winning drivers and coaches.
