Bulletin: # 1

Subject : JUNIOR CUP DRIVERS WEIGHT LIMIT – REGULATION 2.4.2.2 / 4.2 / 4.2.1

Dear SWS Parent / Junior Competitors,

Further to the Dubai Kartdrome Sodi World Series (SWS) 2019 Sprint Races Sporting Regulations V1 - 2.4.2.2 DRIVERS WEIGH-IN

**Junior Cup: The Driver's minimum weight has been revised to 55 kg with full race gear (helmet, suit, gloves and boots only).**

IF a driver's body weight is below that of 55kg, they will be required to carry Dubai Kartdrome weights inside their kart's weight box, to meet the minimum weight requirement of 55kg.

On the grounds of safety, driver's who are well below the minimum weight, will only have to add a maximum of 15kg of weight ballast to their kart's weight box.

Note: Rib protectors & Neck protectors are not considered part of the driver's weight' during Driver's Official weigh in.
