A must see

I traveled to Dubai already 5 times and in each of my trip I pay a visit here, everytime returned by a smile. Dont forget to book in advanced. There is many things to enjoy, but I repeat, book in advanced.

Brilliant!!

What an amazing experience, we did the formula DXB option and it was worth every penny. Well organized, great equipment and a talented team made the day a real adrenaline rush. After the first few circuits you really gain confidence in the car and realize just how far they can...

THE AUTODROME IS A MUST IF YOU LOVE RACING!!

My family enjoyed racing at the Autodrome and this was a repeat visit to relive the joy and thrills of racing.
