If there is a False start and another formation Lap, then the driver can once again continue to resume his original starting position up until the Red Formation line.

**12.2.2** – IF the Clerk of the Course considers that a Driver has been immobilized as a result of another Driver's mistake, the Clerk of the Course or the Race Director may stop the formation lap and start again the starting Procedure on the basis of the original grid or allow the impeded driver to regain their position.
