Subject: **Bulletin: # 2**

Dear Team Manager/Captain/Drivers,

1. **Compulsory Vaccination for Attendance**

In accordance to Dubai Sport Council & Dubai's Supreme Committee of Crisis and Disaster management - the updated precautionary measures for events and activities were announced on 27th May 2021. From June 6th, All the participants, spectators, crew and any personal attending events must have completed two doses of the vaccination, 14 days before taking part in an event.

See attached to this Bulletin the official instruction we received from Dubai Sports Council.

2. **Regulation 10H: Red Flag & Amended Points Implication:**

During a Red flag procedure, all drivers are requested to proceed at walking pace towards the start/finish line or where designated by the Officials. **Note: The Pitlane shall be closed and any team pitting once the Red Flag is shown, will have their stops deleted.**

In the event Organizers are unable to resume the race, then the below Championship points will be awarded based on the race distance completed:

- **Less than 25% of the Race completed:** The race shall be abandoned without any points and rescheduled.
- **Less than 75% of the Race completed:** If the race has completed more than 25%, but less than 75%, Results shall be published with one lap deduction prior to the red flags and teams shall receive 50% of points allocation prescribed in the Dubai Kartdrome Endurance Championship Regulations.
- **75% or greater of the Race completed:** If the race has completed more than the 75% mark. Results shall be published with one lap deduction prior to the red flags and teams shall rewarded with full points.

3. **Regulation 10D: Yellow Flag Conditions:**

The penalty for **overtaking** under yellow flag conditions has now been set as **1-minute stop and go**. Failing to slow down under yellow will remain as **40 seconds stop and go**, to be served in the Penalty Box.
