ENTER YOUR TEAM INTO SWS WORLD RANKING!

Sodikart launched the Sodi World Series in 2009. It creates an International Leisure Kart Ranking based on your personal or your team's results over the different SWS races (Sprint or Endurance) that you can enter over the course of the year. The race locations are around the world on all of the tracks partners of the Sodi World Series.

On completion of an SWS approved event, points are allocated to each entrant according to his/her ranking in either Sprint (Individual) and Endurance (Team) events. This ranking is then integrated into the results of the other events organized by the partner tracks located worldwide. Once combined, the rankings from each event are used to establish your International Leisure Kart Ranking and could be your ticket to the Sodi World Series Grand Final.

The four rounds of the Endurance Championship are all official SWS events. The Dubai Kartdrome was honoured as the first race track in the world to organize an SWS official event in March 2009.

Teams registration to the SWS is mandatory if you want to enter any of the Dubai Kartdrome Endurance races, but the good news is that it's completely free of charge for the teams and drivers.
